**SUPPLEMENTAL PAPER**

Applicants filed a Supplemental Amendment on April 15, 2004, which may not have been in compliance with CFR 1.121 in that a complete listing of all the claims was not provided (i.e., the canceled claims were not presented).

Applicants have not received a Notice of Non-Compliance concerning the April 15, 2004 Supplemental Amendment. In anticipation of receiving a Notice of Non-Compliance regarding such April 15, 2004 filing, attached hereto is a revised "Claims" section to the Supplemental Amendment that Applicants filed on April 15, 2004. The revised "Claims" section is a complete listing of all of the claims in the application (including canceled claims) and is believed to make the Supplemental Amendment compliant with 37 C.F.R. 1.121.
